

STAR EXPECTATIONS!

As a new school year is set to begin, the Orange Brook staff will be spending time sharing Orange Brook's expectations for our students. During the first few weeks of school (and several times throughout the school year), we will be going over our expectations for students as they move throughout the school. Please assist us by reviewing the expectations outlined below with your child. This can occur by simply asking your child the following questions:

- "What did you learn about STAR expectations today?"
- "How did you demonstrate STAR expectations today?"
- "In what ways will you demonstrate STAR expectations tomorrow?"
- "How can I/we help you demonstrate STAR expectations?"

Each month, Orange Brook staff will be on the lookout for students consistently demonstrating STAR expectations. These students will be recognized during our monthly Shining STAR Assemblies. Thank you for your support in reviewing these expectations with your child!
